

Innerseal Plus⁽⁺⁾

High Performance Concrete Protection

BETONGTETT AS, STOREBOTN 13 A, 5300 KLEPPESTO, NORWAY

14

111-CPD-0556

DoP no.: CI 003

EN 1504-2:2004

Surface protection products, **Impregnation**

Ingress protection (1.2)

Physical resistance (5.2)

Product name: **Controll Innerseal Plus⁽⁺⁾**

Depth of penetration: Class II >10 mm

Abrasion resistance: > 30 %

Permeability to water vapour: NPD

Capillary absorption: $w < 0,1 \text{ kg/m}^2\text{h}^{0,5}$

Permeability to water: $w < 0,1 \text{ kg/m}^2\text{h}^{0,5}$

Thermal compatibility: NPD

Chemical resistance: No visual effects

Impact resistance: Class III: > 20 nm

Adhesion strength (pull off): 3,0 n/mm²

Reaction to fire Euroclass A1 (Incombustible)

Slip/skid resistance: NPD

Dangerous substances comply with 5.3: No special precautions required

CE-marking on labels:

111-CPD-0556 EN

1504-2:2004 DoP

no.: CI 003
